How do I remove my credit card detail from Rocketpay?

If your credit card details were saved on MV through Rocketpay and you need them removed, we can help you with that! Simply reach out to us at help@manyvids.com through the email attached to your account to let us know and we'll contact our processor to have the details removed.

Please note that this process and take 1 - 2 business days and we'll be sure to notify you once the request is fulfilled!
