

What is MV Live?

Last Modified on 12/20/2022 4:17 pm EST

MV Live is the awesome live-show feature on ManyVids! Create a room and watch as members join in to chat, send you love/tips and watch you perform live!

MV Live has a ton of fun ways to get your fans engaged through the [Tip Menu](#) and [Room Goals](#). These tools will help you earn more during your shows!

What do I need to get started?

All you will need is a webcam, a mic and a stable internet connection!

How do I start a new room?

[Click here](#) for details on how to open your live room and start earning tips!

I received a token tip! How do I get paid?

[Click here](#) for details on converting your tokens to earnings!

Have more questions about live?

Be sure to watch **Episode 7 of MVU!** This class explores MV Live and all the awesome features you can take advantage of being an MV Live Creator. Click [here](#) to join the session!

You can also visit the [MV Live section of our Creator Help Center](#) for more information on MV Live and features!
